Notices

STAKES ENGAGEMENTS

Unless announced otherwise all eligibility payments due after date of sale are the responsibility of the buyer, who should promptly notify the proper racing associations of the new ownership in order to receive direct billing.

CANADIAN EARNINGS IN PEDIGREES

Before 2003, Canadian dollars were included with U.S. earnings as though there was no difference in the value of the two currencies. Following a recommendation by SITA (Society of International Thoroughbred Auctioneers), from January 1, 2003, purse money earned in Canada will now be separated. This policy is not retroactive for earnings prior to 2003.

Pedigree pages will continue to show combined earnings through December 31, 2002. There will be a separate designation for money earned in Canada since January 2003. Those earnings will be reported in Canadian dollars and indicated by (CAN). The following example shows GRAND MISTRESS had combined, non-converted U.S. and Canadian earnings, prior to 2003, of \$36,021. Additionally, she earned \$22,494 in Canadian dollars since 1/1/03, of which \$11,770 (CAN) was earned in her second-place in the South Ocean Stakes, a restricted stakes at Woodbine.

Grand Mistress (f. by Storm Charger). 3 wins at 2 and 3, \$36,021 in N.A./U.S.; 2 wins at 4, 2003, \$22,494 (CAN) in Canada, 2nd South Ocean S.-R (WO, \$11,770 (CAN).

INSPECTION OF HORSES

All horses in this sale are stabled in the racing barns at Lone Star Park. If you are planning early inspection of sales horses, you are advised to check with our office for updated information on arrival/stabling status.

TRANSFER AND REPORT OF OWNERSHIP

The transfer of ownership for all Thoroughbreds must be reported to The Jockey Club by the new owner, within 60 days of the transfer, using a Transfer of Ownership form. The Certificate of Registration is not required and there is no fee for any transfer. Forms are available in Sales office.

Black Type Definitions

Black Type Race - Black Type Winner - Black Type Placed

The words "black type" are the equivalent, in racing, sales terminology and in sales catalogues, of the frequently-used word "stakes." A stakes race will not always merit "black" type in a sales catalogue.

Black Type Race or Stakes Race

There are several classes of black type races, which are described in the following information. A black type race must, by definition, close for entries at least 72 hours before it is run. Fees must also be paid towards the purse by owners and/or additional (added) money contributed by or through the host racetrack. In addition, a stakes race must have a total purse value distributed on the day of the race of \$50,000 or more. (This minimum was established in January 2007 and is frequently reviewed.) In the more liberal interpretation of "stakes," the amount of the purse is not always a factor, but a race qualifies for "black type" in sales catalogue following ICSC (International Cataloguing Standards Committee) standards only when it meets the total purse and other criteria.

In pedigrees, a horse's name, when it is a winner or has placed in a black type race, is indicated in bold (hence "black") type. Winners' names are in upper case (capital) bold letters. Horses placing 2nd or 3rd are in lower case bold letters. In addition, further symbols or designators associated with the black type race will indicate the level or quality of the race in question.

It is important to note that changes in entry requirements, restrictions and purse levels for black type races are not retroactive. Once awarded black type in a pedigree, this information is unchanged and permanently maintained until and unless it is required to be replaced by more current data.

Graded or Group Black Type Races

All around the world, the "graded" or "group" stakes race (G1, G2 and G3) is recognized as being of the highest quality within any racing jurisdiction. The words "grade" and "group" have identical meaning and qualifications.

The Society of International Thoroughbred Auctioneers (SITA) uses the rulings of the International Cataloguing Standards Committee (ICSC) in its sales pedigrees to recognize grade or group designators for races.

ICSC maintains and monitors the application of guidelines by racing countries around the world. These countries qualify for several categories for cataloguing purposes as follows:

Part I countries will receive black type status and any race designators including grade/group indicators that are applicable.

Part II countries receive black type status, but will not be eligible to carry any designators such as grade/group indicators.

Part III countries have races listed for informational purposes only and do not receive any black type status.

Black Type Definitions

(continued)

In the USA, graded races are classified by the American Graded Stakes Committee of the Thoroughbred Owners and Breeders' Association (TOBA). This committee meets regularly to insure its standards of purse money and quality of racing are maintained. Graded races are non-restricted (age and sex qualifications are not considered restrictions). From January 2003, the minimum value for a graded race has been \$100,000.

Listed Black Type Races (L)

Below the quality of graded races, listed races also have a minimum added and/or total purse value, which, in January 2002, was set at \$75,000. For this and for other considerations, they do not qualify as graded black type races.

The name of the listed black type race is detailed after the subject horse in the pedigree with the designator (L), and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race. Up to the end of December 1990, some listed races were also restricted races and carried the designator (LR). Since that time, listed races may not be restricted.

Restricted Races

Because entry conditions for restricted races are often framed to exclude better horses, these black type races are usually regarded as of lesser quality than graded or listed races. The name of the restricted black type race is detailed after the subject horse in the pedigree with the designator (R) and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race.

From January 2003, conditions for black type restricted races were refined and the only restrictions now allowed are those for state-bred runners, non-winners of a sweepstakes, sales graduates and stallions' progeny.

Other Races Identified in Catalogues

There are some black type races which are not restricted, but do not have sufficient purse money to qualify as listed races. These races are identified by name but carry NO designator (G, L or R). The name of the race is detailed after the subject horse and, in parentheses, an abbreviation of the host track and the purse earned specifically in that race.

The amount of purse money to qualify a race for black type status is regularly raised by SITA to insure the quality and integrity of the black type system.

Further Note

In 1985, several other stakes qualified for black type or for inclusion in some form in pedigrees. Subsequent changes have replaced or eliminated these races, but they remain in pedigrees until they are excluded by more current data. Such races carried designators (O), (N) and (Q).

Pedigrees in this catalogue comply with standards established by the International Cataloguing Standards Committee (ICSC) and adopted by the Society of International Thoroughbred Auctioneers (SITA).

ONLINE BIDDING INFORMATION

In order to accommodate bidders who cannot attend the auction in person, TTA Sales has invested in a state-of-the-art live online bidding system. This new system will allow bidders to watch live video of the auction and make bids in real time, just as if they were in the sales pavilion.

Online bidders MUST be registered in advance.

FOR MORE INFORMATION AND TO REGISTER IN ADVANCE TO BID, PLEASE GO TO WWW.TTASALES.com.

The Texas Thoroughbred Association (TTA) is proud to continue our partnership with the Thoroughbred Aftercare Alliance (TAA).

The 501(c)(3) nonprofit Thoroughbred Aftercare Alliance accredits, inspects, and awards grants to approved aftercare organizations to retrain, retire, and rehome Thoroughbreds using industry-wide funding.

Since 2012, the TAA has granted more than \$24.5 million to accredited aftercare organizations and 14,500 Thoroughbreds have been retrained, rehomed, or retired by accredited organizations.

Currently, 81 organizations with approximately 180 facilities hold TAA accreditation.

The Thoroughbred Aftercare Alliance (TAA) is supported by owners, trainers, breeders, racetracks, aftercare professionals, horse auction sales companies and other industry groups.

TTA Sales will contribute .05 percent of the sales price (\$25 on a \$50,000 sale) on each horse sold.

Additionally, all sellers/owners and buyers will contribute 0.05 percent of the sales price (\$25 on a \$50,000 sale) on each horse sold at TTA Sales.

"The TAA has done an outstanding job of providing accreditation and funding to organizations dedicated to retire, retrain and rehome racehorses, including LoneStar Outreach to Place Ex-Racers (LOPE) and Remember Me Rescue here in Texas," TTA President Phil Leckinger said. "All industry participants have a shared responsibility for the animals that are the foundation of our sport, and we are pleased to participate in funding an industry initiative that is of the utmost importance."

Texas Thoroughbred Association

Horse racing is a truly thrilling sport, the "Sport of Kings." Fans come for the excitement, the glamor, the beauty,and the horses. The horses are the centerpiece of the sport, powerful athletes with glossy coats, pricked ears, flaring nostrils, keen, intelligent eyes. Every day, thousands of Thoroughbreds answer the bugler's call. They go and run with all they have and more. But there can only be one winner in any given race.

Many go on to run other races on other days. Some end up winning. Some end up on breeding farms. What about the others? The Paddock Foundation's goal is to answer that question.

THE PADDOCK FOUNDATION: Dedicated to the Lifelong Welfare of the Horse

MISSION: The Paddock Foundation is a non-profit corporation with a mission to support and advance the care of Thoroughbred racehorses after their racing careers by supporting retirement, rehabilitation, retraining and rehoming.

OUR PARTICIPATION: Participate as a financial supporter of other approved 501C3 organizations such as LoneStar Outreach to Place Ex-Racers (LOPE), Remember Me Rescue and Lake Fork Stables. Post stories on social media highlighting activities and opportunities for Off-Track Thoroughbreds (OTTBs) as well as stories of their successful transitions to other careers or companion animals.

FUTURE GOALS:

- Educate, encourage and facilitate the placement of retired or unwanted racehorses;
- Support organizations that retrain Thoroughbred horses for second careers;
- Support organizations that provide for the retirement and care of the retired Thoroughbred racehorse;
- Support therapeutic riding programs and equine educational programs.

SUPPORT: We invite you to partner with us in this noble cause. Contributions of any size are welcome and will be used to further the goals of The Paddock Foundation. Please return this form with your contribution:

CONDITIONS OF SALE

FIRST — **APPLICABLE LAW:** All horses in this sale are offered according to the laws of the State of Texas. Any horse offered in this sale is sold with all defects except as warranted under Condition Seventh below. The right to bid, as provided under law, is reserved for all consignors unless otherwise announced.

SECOND — **BIDDING PROCEDURE:** Unless waived by announcement, there shall be an upset price of \$1,000 for any animal entering the sales ring. If an opening bid of the upset price is not immediately forthcoming to the auctioneer's call, the animal shall be passed out as unsold. Minimum acceptable increases in bidding are \$100 to \$25,000 and \$500 thereafter. The highest bidder shall be the buyer. Successful bidder shall forthwith sign the Acknowledgement of Purchase: should Acknowledgement of Purchase not be presented to him for signature prior to commencement of bidding on the next lot offered, he shall forthwith identify himself to auctioneer as purchaser, and sign Acknowledgement of Purchase when presented. Right of successful bidder is not impaired in case of signing of Acknowledgement of Purchase by another provided that such bidder acts in accordance with this Condition of Sale and CONDITION OF SALE THIRD below.

THIRD — **BIDDING DISPUTES:** Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute and his decision shall be absolute, final and binding on all parties. Bids received after fall of hammer are not grounds for dispute. Bids acknowledged by bid spotters employed by the undersigned are recognized as tendered to auctioneer, but in case of dispute, the bidding on the horse shall be forthwith reopened for advance bids and if there be no advance, the horse is sold to the person from whom the auctioneer recognized the last bid. In case of any dispute, advance bidding shall be restricted to the contending parties, but should the recognized bid be reduced below the bid at commencement of dispute, then the bidding is reopened to all bidders regardless of whether or not final bid exceeds bid which was disputed. The auctioneer reserves the right to reject any or all bids.

FOURTH — TITLE RISK AND DELIVERY: Title passes to purchaser at fall of hammer, at which time he assumes all risk and responsibility for the horse. Purchaser or his representative shall take care, custody and control of the animal immediately after the fall of the hammer and such taking shall constitute delivery of animal, which shall be contingent upon purchaser presenting himself to the cashier of the undersigned to make settlement. Purchaser must so present himself within thirty minutes of conclusion of the sales session in which the horse is sold at which time delivery will be made in form of a "Stable Release" for the horse, provided that purchaser satisfactorily makes settlement. After delivery, purchasers shall remove horses by noon on the day following sale, and shall be subject to stable charges as determined by undersigned should they fail to do so.

FIFTH — TERMS FOR SETTLEMENT: MAKE SETTLEMENT WITH CASHIER OF THE UNDERSIGNED. PAYMENTS TO OTHERS, INCLUDING CONSIGNORS OR THEIR REPRESENTATIVES, ARE NOT RECOGNIZED AS SETTLEMENT. Purchasers shall make settlement within thirty minutes of conclusion of sales session in which the horse is sold for the full purchase price, such settlement to be in the form of U.S. currency or approved bank check, certified check or traveler's check: unless credit shall have been approved in advance and/or by officers of the undersigned. Bidders are cautioned that approval of credit for prior sale does not establish credit for purchase at this sale. To avoid any misunderstanding, they must re-establish credit prior to bidding. Purchasers to whom credit is extended shall pay in full for their purchases within fifteen days of sale, failing which undersigned may, at its sole and absolute discretion, declare purchaser in default. Any lots not paid for in full fifteen days after sale and not declared as default by undersigned shall be subject to a FINANCE CHARGE of one percent per month from date of sale on all amounts owing at fifteen days until such lot or lots have been paid in full.

SIXTH — **DEFAULTERS:** Purchasers who fail in any respect whatsoever to pay for horses as provided for at CONDITION OF SALE FIFTH above shall be declared in default. Any horse purchased by a defaulter may be resold by the undersigned at public auction or private sale without notice for purchasers account, cost of such resale to be borne by defaulter. Should such resale fail to satisfy the defaulter's account in full, defaulter shall pay forthwith to undersigned the amount owing, failing which the undersigned may bring suit against defaulter: should the undersigned prevail, defaulter shall pay all reasonable attorney's fees and costs of such litigation.

SEVENTH — LIMITED WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF AUCTIONEER OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OF BONE, WIND CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THE SALE. Horses that are cribbers must be so announced at the time of sale. For any horse that (a) has impaired vision or injury to the eye, (b) has locomotor ataxia (wobbler syndrome), (c) is two years of age or less and has undergone invasive joint surgery or surgical intervention of the upper respiratory tract, (d) has undergone abdominal surgery of any type except to repair a ruptured bladder in a newborn foal, or (e) has been nerved, such condition must be announced at the time of sale or, alternatively, by placement of a veterinary certificate in the Repository which discloses such condition. Any yearling sold after July 1st of its yearling year, two-year-old in training or horse of racing age that has one of the following defects of wind must be so announced at the time of sale or a veterinary certificate disclosing such condition must be placed in the Repository: (i) Laryngeal hemiplegia (complete immobility or inability to fully abduct the cartilage), (ii) Rostral displacement of the palatopharyngeal arch, (iii) Epiglottic entrapment, (iv) Permanent dorsal displacement of the soft palate; (v) Severe arytenoid chondritis or arytenoid chondroma(s), (vi) Subepiglottic cyst or cysts or, (vii) Cleft palate. In addition, any horse sold in a two-year-old in training sale or any horse two years of age or older and offered as a racing prospect that has injury to or disease of its bone structure materially affecting its suitability for racing must be announced as having such condition at the time of its sale or such condition must be revealed by radiographs and/or a veterinary certificate placed in the Repository by the Consignor.

EIGHTH — **LIMITED WARRANTIES AS TO DESCRIPTION:** UNLESS OTHERWISE ANNOUNCED OR DESCRIBED BY AUCTIONEER, THERE IS NO REPRESENTATION OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE in this sale. Any horse sold on or after July 1 of its yearling year which is catalogued as a colt which does not have two testes palpable in their entirety below the external inguinal ring shall be subject to return to Consignor. There is no representation or warranty as to the size or function of testes. When one or both testes is or are not palpable in its or their entirety below the external inguinal ring, such horse will be announced as a ridgling. When both testes have been removed surgically, such horse will be described as a gelding. Any horse which is described incorrectly at time of sale as to its gender or sexual classification shall be subject to return to Consignor as provided in CONDITION NINTH.

NINTH — RIGHT OF RETURN: Any horse sold in this sale whose condition must be announced as provided for at CONDITION SEVENTH AND EIGHT above, and is not so announced shall be subject to return to consignor as refund of purchase price and reimbursement for all legitimate expenses incurred on behalf of the horse from fall of the hammer, provided that immediately on learning of such defect, buyer shall forthwith notify the undersigned in writing with veterinary certificates as to defect attached, such notification to be given within 48 HOURS of sale. All warranties of whatever sort shall terminate seven days from date of sale.

TENTH — CATALOGUE AND ANNOUNCEMENTS: The auctioneer and Texas Thoroughbred Association are not responsible for any statements made in this catalogue or from the auction stand concerning horses listed herein for sale, nor for any warranties expressed or implied on their behalf. Horses listed in this CATALOGUE are sold with their engagements, as listed herein or announced from the auction stand at time of sale, such information being as represented by consignor, to whom only shall purchaser look for redress in case of error or omission. The undersigned will endeavor to have all catalogue information correctly stated: but the consignor is responsible for correction of any errors or omissions.

ELEVENTH — **INSPECTION** (**INCLUDING THE REPOSITORY**): All Purchasers shall inspect fully each horse that they may purchase. As provided in the Conditions of Sale and otherwise, Purchasers are accepting any horse purchased with all defects except those conditions and defects specifically warranted by Auctioneer's Conditions of Sale. Purchasers that fail or refuse to inspect for any reason, including a lack of opportunity for inspection, purchase the horse at their own risk. It shall be the sole responsibility of the Purchaser to determine the sufficiency, quality and completeness of the available inspection; however, full inspection shall include a review of all Repository information for each horse.

TWELFTH — **AGENTS:** All agents purchasing horses for clients and/or consignors shall make known to the undersigned the name of their principals and shall sign an agent's authorization slip with the cashier of the undersigned.

THIRTEENTH — **ARBITRATION:** 1. Any controversy arising out of a claim arising under CONDITIONS SEVENTH, EIGHTH, NINTH and TENTH shall be settled by arbitration between the buyer and consignor pursuant to the following procedure. Upon the auctioneer's determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the auctioneer, the buyer and the consignor shall each select a licensed veterinarian acceptable to the auctioneer. If the veterinarians fail to agree promptly as to the validity of the claim, they, or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the auctioneer shall appoint the third veterinarian. The third veterinarian's fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the auctioneer to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The auctioneer shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award. 2. Any other controversy between or among the buyer, consignor and auctioneer arising out of a claim made under these CONDITIONS OF SALE shall be settled by arbitration among the parties in accordance with the rules of the American Arbitration Association. 3.
